How do I know what is going to be discussed?

We publish the agenda of our public meetings at least three working days beforehand so you can see what we are discussing. You can read any documents that will be discussed at the meeting by visiting the website. Search online for 'St Keyne Parish Council' and follow the links to Parish Council Documents.

Residents are always welcome to attend public meetings as observers or to take part. There's no need to give notice, but if you are attending and want to comment on any of the items on the agenda or raise an issue with the councillors, time is set aside at the start of every meeting for you to speak.

How do I know what has happened during a meeting?

We publish minutes of all our public meetings within two weeks of the meeting itself. You can always find a copy on display on the parish noticeboard. Copies of the full minutes from each meeting are available on the website or from Parish Clerk.

Impact of Covid-19

Government regulations in force at the time of publication may restrict the format of public meetings. Please check the latest agenda for details of how and where meetings will be held. There will always be an opportunity for residents to participate in public meetings.
